

MEMORANDUM OF UNDERSTANDING

between

Calif Global Inc.

International Centre for Research and Postgraduate Training in Mathematics

Institute of Mathematics, Vietnam Academy of Science and Technology

and

University of Science and Technology of Hanoi, Vietnam Academy of Science and

Technology

Calif Global Inc. (hereinafter referred to as “Calif”), the International Centre for Research and Postgraduate Training in Mathematics (ICRTM), the Institute of Mathematics, Vietnam Academy of Science and Technology (IM, VAST), and the University of Science and Technology of Hanoi, Vietnam Academy of Science and Technology (USTH, VAST) (hereinafter collectively referred to as “the Parties”), agree to the following provisions with the objective of promoting and developing their mutual cooperation. The Parties shall comply with the respective national laws of their countries as well as with relevant international treaties and agreements, in accordance with their functions, duties, and competencies.

1. Purpose

Within this framework, Calif commits to support the Master’s Program in Applied Mathematics at USTH, jointly implemented with IM and ICRTM, through the granting of **five (05) full scholarships** for selected students.

2. Support

2.1. Coverage

The total value of each scholarship shall be equivalent to the tuition fee of one (01) academic year at USTH for the Master’s Program in Applied Mathematics, as officially announced for the respective academic year. For the 2025 academic year, the tuition fee is VND 56,000,000 (in words: fifty-six million Vietnamese dong). No additional costs (such as accommodation, travel, or living allowance) are included, unless otherwise agreed in writing.

2.2. Selection and Awarding

Eligibility: Applicants must fulfill USTH’s admission requirements for the Master’s Program in Applied Mathematics.

Scholarship Committee: ICRTM shall establish and organize the Scholarship Selection Committee, with the participation of representatives from IM, ICRTM, and USTH. Calif may appoint a representative to participate as an observer.

Criteria: Selection shall be based on academic merit, motivation, and potential contribution to the field of Applied Mathematics.

Student Commitment: Each scholarship recipient shall be required to sign a Commitment Letter to formally accept the scholarship, confirm their participation in the Master's Program in Applied Mathematics, and agree to comply with USTH's academic and administrative regulations.

2.3. Implementation

USTH shall be responsible for admission, enrollment, and administration of the scholarship.

IM and ICRTM shall jointly participate in the selection process and provide academic guidance and support to the scholarship holders during the course of study.

Calif shall transfer the scholarship funds directly to USTH according to an agreed schedule.

3. Duration and Termination

This Memorandum of Understanding (MoU) shall take effect on the date of its signature by all Parties and shall remain in force until the completion of the five (05) scholarships.

This MoU may be amended at any time by mutual written consent of the Parties. It may be terminated by any Party, provided that all ongoing commitments to enrolled scholarship recipients are fully respected.

This MoU is signed in good faith and does not create legally binding obligations under national or international law.

This MoU is drawn up in English in four (04) originals, each Party receiving one (01) copy. All copies are equally valid.
